1 ROBERT RADECKE

2 help.

3 MR. SIMMONS: He has his notes
4 here, too. This isn't a memory test.

5 THE WITNESS: The next time was
6 February 3rd, when I returned with
7 Caggiano to assist him in conducting his
8 engineering exam.

9 BY MR. SIMMONS:

10 Q. I'm going to ask you to take a
11 look at your invoice more closely.

12 Is there another entry between
13 January 8th and February 3rd?

14 A. Yeah, January 21st. I thought
15 that's what we were just talking about.

16 MS. CRINIGAN: When? He was
17 just going through the rolls of film for
18 January 8th. So he's asking what
19 happened after January 8th.

20 THE WITNESS: I apologize. I'm
21 getting tired. Okay.

22 BY MR. SIMMONS:

23 Q. What was the next thing you did
24 after the inspection on January 8th?

25 A. 21st, returned to the scene with

1 ROBERT RADECKE

2 Joe Caggiano, Deb Crinigan, David Wilson,
3 Nutley Fire, Vic Panico, Dave Kircher from the
4 Essex County Prosecutor's Arson Unit.

5 Q. What was the purpose of that
6 unit?

7 A. To familiarize everyone with
8 what we had. Deborah came up to see the
9 scene. Joe was there to -- for me to
10 familiarize him what with what we were dealing
11 with. The other people were more of a
12 courtesy call.

13 Q. Kircher and Wilson?

14 A. Panico and Kircher were on their
15 way somewhere else and they knew we'd be
16 there, so they stopped by. And Wilson was
17 with them.

18 Q. Okay. So they knew you were
19 coming to the fire scene?

20 A. Yes.

21 Q. How did they know?

22 A. That's a good question.

23 I called Dave.

24 Q. Do you know what date you called
25 Dave?

1 ROBERT RADECKE

2 A. No, I've just got calls to Dave
3 here prior to the 21st.

4 Q. How many calls did you have to
5 Dave?

6 A. Three.

7 Q. And how long did you spend on
8 those calls?

9 A. First two, he wasn't there --
10 the first two calls, the notation, I didn't
11 get him. The third call, I talked to him for
12 12 minutes.

13 Q. Do you recall what you spoke
14 with Mr. Kircher about for that 12 minutes?

15 A. No.

16 Q. Is that during that call that
17 you told him you were coming to the scene on
18 the 21st?

19 A. Yes.

20 Q. And did he agree to meet you
21 there?

22 A. No, there was no actual
23 agreement. He said, you know, "If I get a
24 chance, I'll stop by."

25 Q. Had they already completed their

1 ROBERT RADECKE

2 investigation, "they" being the Essex County
3 Prosecutor's Office?

4 A. I have no way of knowing that.

5 Q. By the 21st, did Mr. Kircher
6 already form his belief that there were no
7 arson issues in this fire?

8 A. The prosecutor's office doesn't
9 share that information.

10 Q. Did you have an understanding
11 whether the Essex County Prosecutor's Office
12 had closed its file by January 21st, or was it
13 still an open file?

14 A. I have no knowledge of that.

15 Q. Was the January 21st meeting at
16 the Prystowsky home the first time you spoke
17 to Mr. Caggiano about this matter?

18 A. I had called -- I don't know
19 whether he called me or I called him to say he
20 was coming to the scene.

21 Q. Do you have a date of when that
22 call was?

23 A. No.

24 Q. Do you know how long you spent
25 with him on that call?

1 ROBERT RADECKE

2 A. No. Yeah, I've got -- excuse
3 me. I apologize. I've got three notations:
4 12 minutes, 12 minutes and 6 minutes.

5 Q. So you spent about a half an
6 hour speaking to Mr. Caggiano before the 21st;
7 is that correct?

8 A. No, the third one, we didn't get
9 him. First two was 12 minutes each. I don't
10 know how much time I spent talking to him.

11 Q. Do you remember what you
12 discussed prior to the meeting on the 21st?

13 A. No, other than he asked me what
14 do we got there, and I told him.

15 Q. Did you tell him what you had
16 determined to be your area of origin?

17 A. Yes.

18 Q. Did you discuss what appliances
19 you'd located within the area of origin?

20 A. No, because I couldn't identify
21 what was there, because there was a variety of
22 appliances, and hopefully you'll be able to
23 identify them.

24 Q. Other than the general
25 discussion, here we are at the fire scene,

1 ROBERT RADECKE

2 what did you do on January 21, 2004 at the
3 Prystowsky home?

4 A. Well, we spoke with Joe to let
5 him know -- and he told me what we're going to
6 need, what we're going to have to do because
7 of the condition of the building with the
8 weather. We discussed all of that.

9 Q. Were the conditions at the
10 Prystowsky home with respect to ice worse when
11 you arrived on January 21st than they were
12 when you were there on January 8th?

13 A. No, February 3rd was worse.

14 Q. Okay. What did Mr. Caggiano
15 tell you you were going to need with respect
16 to the condition of the home when you met
17 there on January 21st?

18 A. He just asked me, "What are we
19 going to do with the scene?" I said, "I'm
20 going to bring in heaters and we're going to
21 thaw it out as best we can." That's basically
22 it.

23 Q. So you formulated a plan on how
24 you were going to go through the debris?

25 A. Correct.

1 ROBERT RADECKE

2 Q. All right. Was anything else
3 done at that meeting?

4 A. Counsel, this was eight years
5 ago. I just don't have -- until two weeks
6 ago, I haven't discussed this case. I really
7 don't have any recollection of conversations.

8 Q. I understand, but I have to ask
9 you the questions. None of us were there, and
10 we're relying on your recollection and notes
11 to re-create what happened for us. Okay?

12 A. No problem.

13 Q. And at the time you had been
14 retained to determine cause and origin,
15 correct?

16 A. Yes.

17 Q. And you knew that at some future
18 point in time, you were going to be asked
19 questions about what you were doing, what you
20 did, what you collected, things of that
21 nature, correct?

22 A. Not always.

23 Q. In this case did you understand
24 that this information may become relevant at
25 future times, this information being what you

1 ROBERT RADECKE

2 did and when on January 21st?

3 A. In many cases it just gets
4 closed out, and that's the end of it. No
5 report necessary. There was no discussion of
6 this going anywhere or -- you know.

7 Q. At January 21st, was there a
8 target appliance discussed among the group?

9 A. No.

10 Q. Were the appliances found within
11 your area of origin as you've defined it
12 discussed at that January 21st meeting?

13 A. Discussed how?

14 Q. In any respect.

15 A. Other than it being there and
16 does anybody know what that is and things like
17 that.

18 Q. Were debris piles moved?

19 A. Not to my knowledge.

20 Q. So this was a look-don't-touch
21 also?

22 A. Don't touch for the Prystowskys
23 or anyone else that was in the building. It
24 wasn't for myself and whoever was with me.

25 Q. All right. Do you recall doing

1 ROBERT RADECKE

2 any debris removal during that January 21st
3 inspection?

4 A. Not that I know of.

5 Q. Did you bring heaters to the 21
6 inspection?

7 A. No -- I'm not sure. I'll check
8 my jacket as far as the bills for heaters.

9 MS. CRINIGAN: You also put a
10 bunch of stuff back in your --

11 MR. SIMMONS: Yeah, but I kept
12 it out. I didn't keep out the kerosene
13 fuel invoice, but I did keep out the
14 rentals.

15 THE WITNESS: Oh, there's a time
16 stamp on it. Yes, so there was one here
17 for -- two of the heaters I picked up
18 January 10th. That can't be right. And
19 the other one is February 3rd.

20 MS. CRINIGAN: Did you put any
21 papers back in your file folder? I saw
22 you put stuff in the side and zip it up.

23 MR. SIMMONS: Yeah, but there's
24 no more rental -- you can look, but
25 there's no more rental certificates in

1 ROBERT RADECKE

2 there.

3 MS. CRINIGAN: Just take the
4 rest of your file out.

5 THE WITNESS: This is another
6 rental agreement there.

7 MS. CRINIGAN: I just wanted to
8 double check.

9 BY MR. SIMMONS:

10 Q. So to the best of your
11 recollection and from your file notes, there
12 were no heaters brought to the January 21st
13 inspection, correct?

14 A. I'm not sure because that one
15 bill says the 10th. It was after the 8th.
16 That's for the fuel, February 3rd.

17 Q. Did anyone take any pictures at
18 the January 21st inspection?

19 A. I don't think -- I didn't.

20 Q. Why not?

21 A. There was nothing to take
22 pictures of.

23 Q. So to your knowledge, nothing
24 was moved within the area of origin as you
25 defined it, correct?

1 ROBERT RADECKE

2 A. Correct.

3 Q. Did you take any notes of any
4 discussions that were had?

5 A. No.

6 Q. Did you tape record any
7 discussions that you had?

8 A. No.

9 Q. How long were you at the scene?

10 A. Two hours.

11 Q. And what did you do during that
12 two hours?

13 A. Some of that was waiting for
14 everyone to assemble.

15 MR. SIMMONS: Let me get marked
16 as the next exhibit number a page of
17 handwritten notes. Our next exhibit
18 number is 247.

19 - - -

20 (Whereupon, the document was
21 marked, for identification purposes,
22 Defendants' Exhibit Expert 247.)

23 - - -

24 BY MR. SIMMONS:

25 Q. Let me show you what we've

1 ROBERT RADECKE

2 marked as 247. This appears to be a breakdown
3 by date of actual time on scene.

4 Is that accurate?

5 A. Okay.

6 Q. So does that help refresh your
7 recollection about how long you were actually
8 on the scene on January 21st?

9 A. Yes, same as on here, two hours.

10 Q. Okay. My question to you is:
11 What did you do during that two hours? I
12 think you said part of it was you were waiting
13 outside for everybody to arrive.

14 A. Yes.

15 Q. What else?

16 A. Took everyone in, showed them
17 what we had, discussed the scene. That was
18 it. I don't remember any other conversations.

19 Q. Did you go down in the basement
20 and look at the breaker panel with that group?

21 A. Yeah, Joe was there, went down
22 and showed him that.

23 Q. Did anyone say, "There's a
24 series of breakers in this box indicating a
25 first floor breaker panel. We should go look

1 ROBERT RADECKE

2 for it"?

3 A. No.

4 Q. Do you recall anything else that
5 was done on January 21st?

6 A. No.

7 Q. What's the next activity you had
8 in this file?

9 A. February 3rd, I returned with
10 Caggiano to remove the evidence.

11 Q. Who went with you that day?

12 A. Just Joe and I.

13 Q. No helpers?

14 A. No.

15 Q. Did you need heaters?

16 A. Yes.

17 Q. Why?

18 A. Because everything was frozen.

19 Q. Had it rained inside the house
20 and then been frozen over?

21 A. Part of it, yeah.

22 Q. In the area that you defined as
23 the origin?

24 A. It was frozen. I don't know how
25 it got frozen. I don't know if it was from
